INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant requests that the information on the attached Form PTO-1449 be considered by the Office during the pendency of the above-entitled application, pursuant to 37 C.F.R. 1.97. In accordance with 37 C.F.R. 1.97(h), the filing of the Information Disclosure Statement shall not constitute an admission that any information cited therein is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b). Please note that certain of these references were cited in the International Search Report on the International Preliminary Examination Report for PCT/EP00/00597 which is the PCT application upon which this United States National filing is

based. In the interest of full and complete disclosure to the Office, some or all of the art cited herein may not be considered by Applicant(s) or the Undersigned to be material under the standards of materiality defined in C.F.R. 1.56(b), enacted March 16, 1992, as amended September 8, 2000, and may merely be technical background which may be of interest to the Examiner.

In accordance with 37 C.F.R. 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

Since no Office Action has issued, Applicants believe that no fee is due in connection with the filing of this Information Disclosure Statement. However, please charge any fees that may be necessary to Deposit Account No. 50-2212, Order No. 009848-0272495.

Respectfully submitted,

Date: December 30, 2003
